Merry Christmas

I don't know about you, but this is one of my most favorite times of the year. "Christmas has too much sparkle and too many decorations"...said no one ever! The heavy winter clothes help us hide those few extra pounds we take on after overindulging at the many gatherings. It just seems like people's hearts are a little more full of patience, kindness, and love.

It is a perfect time to do something neighborly, and share a few moments with the people living all around you. Not all of us have the good fortune to have loved ones living nearby, so a warm heartfelt hello from a neighbor can make all the difference. It is a gift that is well given, well received, easily returned!

Whichever holiday you celebrate, and even if you do not celebrate any holiday, use the season as a reason to do something good, something kind, or maybe something a little special.

On behalf of the entire Board of Directors, I would like to wish each of you and your family a wonderful holiday season filled with joy, laughter, and love. May the New Year be a happy and healthy one!

Many Blessings,
Melissa Lear
STPOA President
